 - Not my TA
 - She is great! She comes prepared every time, and her explanations are so clear. There's definitely a few concepts that were a little rushed through or unclear in the lectures, and she is able to clarify them with those graphs that are easy to understand. A solid TA.
 - She is so relatable. She knows how to connect to her students. Explains things clearly and carefully. Very patient. She also provides detailed study guide for the finals. Highly recommend her.
